## Product Information

---

**Soil:** Loess and clay.

**Elevation:** 718 feet above sea level

**Age of vines:** Average of 30-35 years

**Vinification:** The grapes are hand-harvested in the middle of October with best physiological ripeness. The base wine was aged partially in new and partially in used small barrels. After the second fermentation, the sparkling wine ages for around 24 months on the yeast. The goal is the underline the varietal character.

**Tasting Notes:** Typical Pinot Noir nose with a hint of orange zest and red berries, underlined with fine mousse, creaminess and finesse. A dry, red sparkling wine that is hard to find like this a second time around.

**Sekt:** The year 1989 was a milestone – we started with the traditional bottle fermentation. We created an Austrian sparkling wine philosophy by using only typical Kamptal varieties. In the classical line the secret of success is based on two factors: on the one hand the high quality of the base wines, which present themselves clear, fruity and aromatic and on the other hand the gentle second fermentation in the bottle. Both factors together match the character of each variety and the flavor profile of the base wine.

**Alc:** 13.5 %

**RS:** 4.3 g/l

**Acidity:** 5.6 g/l

The family-run winery is situated in Austria's biggest wine growing village, Langenlois, the heart of the Kamptal. This region is one of the most prestigious in Europe for rich and savory Grüner Veltliner. The estate comprises of 135 acres. When Karl Steininger took over his parent's farm in 1980, he was "just" a farmer. His young bride, Brigitta, had grown up on a winery, and soon Karl found himself in oenology school, then launching the winery in 1989. Austria is a small wine country. Brigitta and Karl realized that they can only survive on the international market with high quality wines. "Our philosophy is to make wines, which show the fruit and the character of the grape. We love the stylistics, which we receive because of the cool climate and the terroir of the Kamptal – the flavors are clear, proud and expressive. We focus on the main varieties of Kamptal, Grüner Veltliner and Riesling. These varieties are very attractive to us because they produce very interesting wines from different vineyards and the different vintage conditions." Karl's chief lesson to his children is that good wine cannot be rushed. It must be given the time it needs to develop, mature and evolve. Their oldest daughter Eva and her husband Peter are the next generation of winemakers. Peter is working with Karl in the winery and Eva is responsible for sales and marketing. The name Kamptal refers to the Kamp river. This beautiful area is filled with culture and tourism, which are enhanced by the numerous Heurigen, wine taverns and Vinotheques. Karl Steininger is one of the initiators of the Loisium. The wine project is nestled in the vineyards of Steininger Winery. It combines world class architecture and a mystical underground world of wine that leads to the wine cellars of the Steininger winery.
